		Parakanni.
3	Compliance of the entire respondents about the steps involved during the admission procedure can be summed up from the following response (36% excellent, 52% very good and 12 % good).	A nodal officer is appointed by the Principal before the commencement of the fresh academic year. He/she attends the orientation classes arranged by the University of Calicut so as to learn the steps to be followed while admitting the candidates as per the Single Window System of the University. The nodal officer arranges orientation classes for the teachers in charge of admission procedure in various departments as well as for the administrative staff also. Student help desk is also formed under the leadership of existing College Union and they give assistance for the students and parents who come to the college for taking admission to various courses of their choice.
4	The affirmation of the respondents about the activities of the alumni association or network of old friends can be summed from the following response (16.1 % excellent, 35.5% very good and 48.4% good).	College Alumni Association is formed and an annual get together is arranged once in a year in a day as per the decision taken in the College Council and Staff meeting.  Each department chooses the representatives for various positions to steer the activities of the department alumni association. WhatsApp group is formed and tried to add as many students to it by collecting their latest mobile numbers.
5	The accord of the respondents about the classroom facilities that are	Additional number of benches, desks and podiums are purchased each year as per

	available in the college is clear from the following response (28% excellent, 48% very good and 20% good).	requirements. The black boards in classes are repaired and polished each year to ensure smooth writing. Sufficient number of bulbs, fans and ventilation facilities are arranged after monitoring its necessity.
6	The feedback from the respondents (20% excellent, 56% very good and 8% good) give an affirmation to the availability of computer facilities in the college.	The number of desktop computers and laptops available in the college are well recorded in the stock register and each year an audit is done to take an account of the number of computers that are functioning properly. Those systems which are damaged or not functioning properly are forwarded for repairing.
7	The retaliation of the alumni about the cooperation and support extended by the faculty members for academic support and overall development of students is evident from the following response (71% excellent, 17% very good and 13% good).	The Department of English organised an inter-department speech contest on the topic "Human Rights Concerns in India" to enhance students' competency in communication, critical thinking, problem solving and creativity.
8	Relevance of the courses studied in the present job market is appreciated by the entire respondents (44% excellent, 48% very good and 8% good).	The Department of Multimedia organised several programs Helicam Workshop, Studio visit, 3D Workshop and Media One Seminar to cater to the personal and professional requirements of the students.
9	Entire respondents (36% excellent, 48% very good and 16% good) give high regard to the experience received from the industrial visits conducted during their course of study.	The Department of Commerce organised an industrial visit to Palakkad to KABANI CEMENTS. The Department of Electronics organised an Industrial Visit to ISRO. The Department of Electronics organised a
