PG Entrance Exam Coaching (Psychology)

The department of Psychology has organized PG entrance exam coaching for the students who are willing to pursue their higher studies after graduation. The session was handled by faculty from the Psychology department. The students were guided in a different way. Different forms of simple coaching methods were used. Mind mapping and short note preparation strategies were discussed well for the students. Multiple-choice questions were solved and given to the students in order to get touch with different forms of questions. All basic reference books and questions available were provided. Students were asked to create their own questions and answers to enhance their learning.

Soft Skill Training Programs

To facilitate the students in recognizing and nurturing their talents, various soft skill training programs were arranged on communication skills, personality development, stress management, and preparation of Curriculum Vitae. Mock GD and Interview sessions, as well as aptitude tests, were organized for final year students. Training programs on Soft skills Development and Career Building were arranged in collaboration with concerned departments. To bring about voluntary commitment and involvement among students performance motivation classes were conducted by each department.
