

CAREER GUIDANCE & PLACEMENT CELL

ANNUAL REPORT 2019-20

The placement cell has always been at the forefront in motivating, informing, and inspiring the students to achieve their goals. Activities of this academic year include lectures by eminent scholars, interaction with well-placed alumni, motivating classes' .awareness sessions on the importance of building interpersonal, leadership, and communicative skills, and so on. Three students of the college secured placement.

The Career Guidance and Placement Cell helped students to prepare for suitable careers and created a lot of job opportunities for the students. The career guidance and placement cell organize various workshops and orientation programs to train the students to realize their goals for further studies and setting their careers. The Cell conducts coaching classes to equip them for competitive exams. It also ensures to give necessary and relevant information and technical assistance for placements. The Career Guidance and Placement Cell concentrate its activities on the following:

Workshop on Led Bulb Assembling & X Mas Led Star Making (Electronics)

In connection with the National energy conservation day observance on December 12, Department conducted a week-long program named "Oorjolsavam". The program consists of a Video poster competition, an Essay writing competition, Technical talks, a Notice campaign among school students, a Still model exhibition, etc. The program is officially inaugurated by Jb.
