27-07-2017 AWARENES CLASS ON CYBER CRIMES ON 27-07-2017

An awareness class on Cyber Crimes was conducted in the college auditorium by Sri. Philip Mampad, Senior Civil Police Officer, Malappuram Police station. All girl students in the college, teachers and principal were present in the session. The session was an extra ordinary effective one and the influence of his presentation was clearly readable from the faces of the audience. He showed many videos and audio clips which showed the negative impacts of cyber technology and how the lives of innocent victims (both girls and boys) are trapped by the cyber hackers. Students were deeply moved with his magical way of narration and the session prolonged even after college working hours, while no student wished to wind up the session soon. Girls understood how their photos and videos will be used by wicked persons and later on black mail them. Students took an oath that they will use social media wisely and will not become addicted to it or spend much time unnecessarily. The message that personal mobile phone numbers and email ids should not be handed over to unfamiliar persons was clearly conveyed by the speaker. Students were also made aware of the negative impact of posting private photos and videos largely in social medias like facebook. The knowledge that a friend request received from an anonymous person should not be reverted was also passed on to the students. Through the conduct of that programme we teachers were highly relieved that atleast the students from our college will not fall in any negative trap and spoil their life.

22-11-2017 STHREEMITHRAM – WAYS OF POSITIVE PARENTING

This session was handled by Dr. Shameena V.P. Theme was to educate parents about how to become a role model for their own children. Parents are the first school for a child and he learns the basic skills of life right from their early childhood. The sessions were interactive ones in which the audience raised various doubts and concerns and enlightened us with positive suggestions and remarks. All the sessions were deeply appreciated by the audience and they suggested that such classes should be arranged quite occasionally as they regarded it as a much valuable session.

25-01-2018 MARGADEEPAM

Team WDC conducted a programme named “Margadeepam” in collaboration with the District Industries Centre, Malappuram. The chief guest was Mr. Sreeraj M, Industrial Extension Officer, Malappuram DIC. The topic covered was motivation for women and men to start up innovative enterprises, the schemes and loans offered by DIC and other government agencies, schemes available for women entrepreneurs, the services offered by DIC like project assistance before and after setting up a business unit etc. The session was a state of the art experience for the audience including even less educated women. Even if a person has good ideas and potential to start a business, the main constraint before him is to finding ways to raise the seed capital. This session cleared the hesitations of the participants including students regarding starting and running of businesses. He shared many real life experiences of successful entrepreneurs in both local and national levels who started with a very humble beginning and later on they turned into highly successful ones.

5-2-2018 NEETHI JWALA

We conducted a programme named “NeethiJwala” in collaboration with Kerala Legal Services Department and Community Development Society of Oorakam Panchayath. The chief guest was Advt. Musthafa C.P, Senior Advocate of Parappanangadi Bar Association. He was an expert in matters related to law and explained the different laws which are in favour and support of women to ensure justice and protection to women including children (less than 18 years of age) in India. 150 local residents and our students participated in the programme. The audience had lot of doubts in their minds and sought clarifications from the advocate. He gave very simple explanations to clarify the doubts and they enjoyed his way of presentation. Our students and women who participated in this session gave a feedback that such sessions are indeed eye openers for them and the intricate details of law which are ignorant for even the so called educated youth.

10-02-2018 AMMAKKORU KAITHANGU

Our team made a visit to the old age home – Snehaveedu run by Dr. Khamarunnisa Anwar in Tirur. 15 inmates were residing in the old age home. Adjacent to that a shelter home for women was also run by her. We offered a day's lunch for the inmates and spent a day with them. Student had also bought bed sheets and pillow covers for them and some sweets too. Many of the residents narrated the bitter experiences they faced in their life. Most of them were married and had children but they were expelled from their homes by their dear ones. Our students got a chance to converse with the superintend of that institution who was a MSW degree holder and was highly committed towards serving the society. We also made deep conversation with the counselor of the institution who was a clinical psychologist and had immense experience in handling women even mentally challenged ones also.
